

PCAV Efficiency Certificates for A, B and K

The PCAV have a range of certificates form D to A. Many achieve up to C* but a few strive for the ultimate in achieving the K to A certificates.

Whilst there is much more work required to achieve these certificates, the effort is very worthwhile, as it demonstrates both knowledge and practical application of horsemanship skills.

We are proud to recognise our clubs' great achievers and hope that more of our riders will be so inspired.
